REFERENCE

We, Novotechprom Ltd. Bulgaria recommends the company SIA EKOAIR Latvia like a loyal and liable partner in the refrigeration area, especially evaporators. We and our client are very satisfied from the produced by EKOAIR plate brazed evaporators – from its technical parameters, functions, options and quality. We have already imposed the brand EKOAIR on Bulgarian market and clients' feedback regarding the products are really positive and high.

We would like to express our satisfaction from the good and useful communication with EKOAIR, timely deliveries, the support and assistance about specific questions, functions, models. The proposed service is precise, fast and effective.

SIA EKOAIR – our reliable partner for plate brazed evaporators.

Stefan Shoselov,
General Manager
Novotechprom Ltd.
